

## CERTIFICATE OF ANALYSIS

### SODIUM BENZOATE E211

|                                |                                                                                            |
|--------------------------------|--------------------------------------------------------------------------------------------|
| <b>Other names (synonyms):</b> | sodium benzocarboxylate, sodium salt of benzoic acid, sodium salt of phenylcarboxylic acid |
| <b>Country of origin:</b>      | CN                                                                                         |
| <b>Package:</b>                | 1kg, 2kg, 5kg, 25kg                                                                        |
| <b>CAS. Nr.:</b>               | 532-32-1                                                                                   |
| <b>EINECS Nr.:</b>             | 208-534-8                                                                                  |

| Parameter                                   | Quality                                                      | Results  |
|---------------------------------------------|--------------------------------------------------------------|----------|
| Assay, %                                    | Min. 99,0                                                    | 99,55    |
